MRAC REGULAR MEETING: Thursday, September 22, 1988, at 7:30 PM at Wauwatosa Savings and Loan Building at 7500 West State Street. The hall is open at 7:00 PM for rag-chews, discussions, hand-shaking and whatever. Be careful when you get to the whatevers....Hi Hi.

Mr. Marv Anderson will be featured on our program. Marv's subject will be radio controlled airplanes. Marv has been active with radio controlled aircraft for a lot of years. Marv has flown everything from Japanese Zeroes and Zekes to Corsairs and Boeing 747's, all in scale model of course. It should make for a very interesting program. See you at the meeting.....

At the time this newsletter is being printed, Charlie Kaetel, W9SNK, is in the hospital. At this time there is no information available as to Charlie's condition. Mrs. Kaetel requests that no cards be sent, or attempts be made to visit Charlie at this time. No PHONE CALLS, too, PLEASE!!!!!!!! The Board sends best wishes to Charlie for a speedy recovery.
